Good Morning Jim,

We would be more than happy to discuss the status of the case with you. Unfortunately, Monday does not work as I have to attend an enforcement conference in Spring Green that day. We can, however, make some time on Wednesday or Thursday morning work. Please let me know if either morning will work on your end. Thanks.

Subject: Fast Matter

Jodi,

In light of the recent payments your client allegedly made to not only putative class members as defined in Mr. Fast's Complaint, but also potentially other, not previously included positions, I'd like to set a time for us to discuss the status of this case, including, but not necessarily limited to, who received the checks; what the checks represented; who performed the calculations underlying the check amounts; and whether you'd be willing to stipulate to stay this matter's deadlines pending our joint assessment of where this case currently stands in light of those checks.

I'd like to do this on Monday, if possible. I'm generally available between 10:30 and 3:00 that day.

Let me know. Thanks.
